How to manually activate your game

If you cannot activate your game online, you can manually activate your game. The following paragraphs provide step-by-step instructions on how to quickly and easily activate:

STEP 1: Enter Serial and Unlock Request Code

Enter your Serial and Unlock Request Code in the appropriate text boxes below and hit the "Generate Unlock Code" button. Make sure you include the dashes ("-") and enter the codes correctly, as explained in the paragraph above

▣ How to find Serial and Unlock Request Code

Your Serial is:	<input type="text" value="Q9"/>	<input type="text" value="G"/>	
Your Unlock Request Code is:	<input type="text" value="XV3NZ"/>		<input type="text" value="6H42"/>
<input type="button" value="Generate Unlock Code"/>			

Serial invalid!
Make sure that you typed in your Serial correctly!

STEP 2: Activate Fable 3 with the Unlock Code

Use the Unlock Code received in Step 1 above to unlock your game. To enter the Unlock code, first click on the "Activate Manually" button within the game on your computer (see below):
